

## Situation at 0600 on 1<sup>st</sup> July.

Shows positions of the surviving formations of 4<sup>th</sup> Army. Haucke's group is reinforcing Zhodino, around which the remnant of the Panzer Reserve is positioned. Wichmann's group has just been annihilated in a brutal engagement with the crack 21<sup>st</sup> GTB north of Krupki. The German position on the east bank is now untenable. Within one hour Tippelskirch will order a withdrawal across the river via Berezhino. His planned perimeter is shown. This will be the preparation area for a breakout to the west spearheaded by Haucke's panzers
